What's New?

Rebate Payment Summary

- The Rebate Payment Summary has been completely redesigned to improve overall usability and resolve various data issues. The Rebate Payment Summary displays all rebate payment information, while the Rebate Allocation Report displays the calculated allocation information for all participating child sites. The updated Rebate Payment Summary is now available in addition to the Rebate Allocation Report, which was released in the previous release.

- The Rebate Payment Summary has also been updated to allow GPO Members to filter by Grandparent ID and the Contract Name filter has been updated to allow for multi-select. Additionally, Payment Method now appears as Direct Deposit or Check.
